At the Law Offices of Dominick Rendina, we provide a professional and accurate assessment as well as a practical resolution to your legal issues. Our dedication to quality, thorough understanding of the law and commitment to quality service and individualized approach to each legal issue provides successful results for all our clients.

We offer professional, personalized, and attentive service and we take time to listen to our clients concerns and address their legal issues. Whether you are an individual or a business facing a legal problem in the areas of Business, Construction, Criminal, Personal Injury, Immigration, Estate Planning or Business Succession Planning, we are prepared to assist you with any size legal issues. Whether you have a legal matter that requires mediation, arbitration, or litigation, we will take control of your legal problem to fully represent you to the best of our ability. You can trust that we will handle your case with the preparation and the attention to detail needed to effectively protect your rights and interests.

If you are experiencing personal or business related legal problems, we are a professional and knowledgeable firm who can provide you with dedicated and experienced legal counsel and if required, aggressively fight for you in court.
